ABOUT OURSELVES

This publication fulfils the long felt need for providing information about various schemes/programmes of Grant-In-Aid being implemented by the Central Institute of Indian Languages, Mysore. This provides brief information about the objective, purpose, eligibility and funding pattern of various Grant-In-Aid schemes of the Institute. Most of these schemes are being implemented through the individuals and NGOs. We are hopeful that this publication would be informative and useful to the individuals, NGOs, Societies and Charitable Trust who are interested in implementation of the programmes/schemes of this Institute. The Non-Governmental Organizations consistently have proved to be very effective in the propagation and development of Indian Languages. One of the benefits of implementing the schemes through NGOs is that they are able to reach the remote areas of the Country. Moreover, the Individual Authors, Voluntary Organisations, Societies and Charitable Trust have established a closer rapport with the masses thereby enjoying a great degree of credibility.

Brief Report of 26th GIAC Meeting

The 26th GIAC meeting, which was held on 13-14th October, 2010 at CIIL, Mysore chaired by Prof. Rajesh Sachdeva, Director, CIIL in absence of Dr.Anita Bhatnagar Jain,Chairperson & JS(L&Admn.) who could not attend the meeting. Although the Ministry had agreed to depute Mr.R.P.Sisodia,Director(L) to chair the meeting, but due to his sudden transfer and other administrative reasons, he could not attend the meeting.

1. On the first day the experts discussed various things of considering the books for grant based on its quality, value etc. Regarding the multi volume books it has been decided by the experts that all the volumes will be treated as a single entity with a limitation in number of copies to be purchased. The house opined that there is a need to examine the grant, being given to translation works. Some experts opined that the Institute should encourage translations between Indian languages in order to promote Indian languages. Some experts also felt that the works in English language written about Indian languages and culture to be encouraged so as to promote Indian-English and translations from English to Indian languages and vice-versa. They opined that CIIL-GIA regulations to be modified in this regard.
2. It has been observed during the meeting that for past 10 years some languages/States are given more grants and some languages/states are given less grant or dismal. To keep the limit of such grant, it has been decided to restrict the grant to the extent of 10% in a language/state during a financial year for which the Ministry has already informed.
3. When the Language Expert is unable to attend GIAC meeting due to unavoidable circumstance, Director may request some faculty with the same background for taking quick decision or the cases of all schemes be sent to the Language Expert for review as decided in the 25th GIAC meeting.
4. Other points were also taken for discussion including Agenda and Action Taken Report of 24th and 25th GIAC meetings.

The Chairperson Prof. Rajesh Sachdeva, thanked all the Committee Members profusely for laboring so much and accomplishing a lot within a very short span of time to take very efficient, correct and ethical decisions. Dr.G.Vijayasarathi, Head, GIA has briefed about the GIA schemes to all members.

Director, Prof. Rajesh Sachdeva thanked the Members of the Committee.
